Welcome and Introductions

Barbara Lucks, Facilitator, opened the meeting at 1:40 p.m. in the Greene County Public Safety Center – 330 West Scott, Springfield, Missouri, welcoming task force and community members in attendance. Self introductions were given by all attendees.

Approval of Minutes

The minutes of the Green Building Task Force Meeting #7, held April 10, 2013, were approved as distributed following a motion by Ronda Headland and a second by Joel Thomas.

Brief review of draft report materials and process for today's meeting

Materials distributed related to the contents and form of the draft report were discussed, as was the format for the deliberations to take place at today's meeting.

Discussion in small groups

The Task Force separated into the pre-determined small groups to refine and condense the groups' recommendations.

Discussion of recommendations

The Task Force members reviewed, discussed and edited the recommendations and draft report. Staff will prepare a draft of the report that will be e-mailed to Task Force members for their comment and, ultimately, final approval. It will then be presented to Springfield City Council and Greene County Commission.

Meeting was adjourned at 4:15 p.m.
