Surveillance video from homicide case released

The Springfield Police Department is investigating the shooting homicide of Gregory Dahmm that occurred at approximately 1:30 p.m. on Sunday, August 18. The shooting occurred in an alley that runs north and south behind the Village Shopping Center located in the 2700 block of South Campbell Avenue. Detectives have obtained [security video that captures a black male suspect entering and then fleeing from the alley](#) (13.1 mb WMV file) at the approximate time of the shooting. The subject appears to be a thin black male wearing a white shirt, and jeans or pants. Investigators ask that anyone with information concerning this incident contact the Police Department at 864-1810, or if you wish to remain anonymous, contact Crime Stoppers at 864-8477.
