News Release

For Immediate Release

Lane Closures on National and Trafficway

As part of the National Avenue and East Trafficway Intersection Improvement project, construction activities require lane closures on National Avenue and East Trafficway Street. Continuing this week, there will be lane closures and lane shifts for approximately three days for asphalt paving. Signage is in place to notify motorists of construction activity, and delineators will be positioned to route traffic through the construction zone. The City is asking motorists to use caution while driving through the work zone and thanks them in advance for their patience and cooperation.

For more information, contact: Brandon Braun, City of Springfield, at 864-1969.
