### **Public Works Prepares for More Winter Weather**

The City of Springfield Public Works Streets Division will mobilize a full crew at 3 a.m., Tuesday, in anticipation of rain changing to mixed precipitation between 3 and 6 a.m. A morning crew will start at 5 a.m. to take care of the sidewalks and other areas.

The bulk of any accumulation should be finished by mid-morning, says Ron Bailey, interim director of streets. "We will mainly be looking to keep streets clear for the morning commute."
