News Release

For Immediate Release

Walnut at Hammons Parkway Intersection Closure

The intersection of Walnut Street and John Q. Hammons Parkway will be closed on Thursday, May 10, from 7:00 a.m. until 2:00 p.m. for painting crosswalks.

The intersection of Walnut Street and Kimbrough Avenue will be closed on Thursday, May 10, from 6:00 p.m. until 1:00 a.m. Friday, May 11 for painting crosswalks.

The color of the crosswalks is one of the last elements remaining to complete the Walnut Street Streetscape project during which sidewalks and street pavement were replaced, new pedestrian street lights were added, and storm water facilities were added to make this section of roadway more attractive as a part of the Walnut Street historic neighborhood and as a link between downtown and MSU campus.
