News Release

For Immediate Release

Fremont Opens Between Sunshine and Cherokee

Fremont Avenue between Sunshine Street and Cherokee Street will reopen this evening, Friday, Oct. 19, 2012. Minor construction activities will still be ongoing for the next few weeks where crews finish sidewalks and clean up, which may require short term delays in traffic. As construction continues, the City of Springfield asks motorists to be alert and use caution while driving through the work zone and thanks them for their patience throughout the project.
